TESSORO BACKWASH UNIT

LUSSO BACKWASH UNIT

LUSSO

TESSORO

OTTOMAN

WATER CATCHER

A unique, built-in water catcher feature brings another layer of protection from runaway water droplets to keep your space looking sharp.

PLUMBING ACCESS

A user-friendly panel delivers open access to the spacious utility area for smoother tune-ups and efficient installations—no tools are required to access the panel.

ADJUSTABLE BASIN

With a combined forward and backward tilt range of 20 degrees, the range of motion for the backwash unit suites a wide range of clients.

LUMBAR CUSHION

Alleviate lower back tension and add extra support for extended services with a removable lumbar cushion.

MAJOLICA

MIRROR

Choose a coordinating mirror to match the classic look of the Majolica cabinet to unify the style of your space.

CABINET

Opt for a service station with a classic look, ample storage, expansive counter space and functionality to unify your space.

PORTO

Modern appeal, wide design, supportive gel neckrest, and one-stop style—this fixed basin bowl is truly sophisticated.
